In An Emergency

First Aid

First Aid kits are available from all Park Offices and vehicles. In the event that you suspect a drowning or require first aid, please approach any member of our staff. Most staff are trained in basic first aid and can offer assistance with minor cuts and scrapes.

Lost Persons

If a member of your group becomes lost, contact one of our staff immediately. If the lost person happens to be a child, have someone stay at the exact spot where the child was last seen, and someone else wait at the child's campsite.
