Accessing Your Yurt

This inset map provides a detailed view of the area around the yurt sites. It shows the 'Trail to Yurts' (black dotted line) starting from the 'Park Office' and 'Ski Chalet' area. The trail leads to four yurt locations: 24, 27, 30, and 31. A red arrow indicates the starting point 'You Are Here' near the Park Office. The map also shows the 'Entrance' and 'Hwy 144' nearby.
